**OLEKSANDR MYKHAILENKO**

has successfully completed the online, non-credit Professional Certificate

# Preparing for Google Cloud Certification: Cloud Network Engineer

In this Professional Certificate, learners explored and practiced the skills needed to be a Cloud Network Engineer. They learned about implementing VPCs, hybrid connectivity, network services, and security for established network architectures on Google Cloud.

*Google Cloud Training*

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
